

Serial No.: 08/486,313  
Filed: June 7, 1995

### REMARKS

The specification is amended pursuant to M.P.E.P. § 201.08 and § 601 to cross-reference related applications. Applicants claim the benefit of the filing date of U.S. Ser. No. 07/726,812, filed July 8, 1991, as well as the filing date of the other applications listed in the new paragraph.

Applicants also draw the Patent Office's attention to the following eleven U.S. patent applications which were filed at the same time as the present application: USSN 08/481,893, USSN 08/486,648, USSN 08/483,122, USSN 08/486,307, USSN 08/484,210, USSN 08/479,795, USSN 08/480,172, USSN 08/484,406, USSN 08/479,796, USSN 08/483,817; and USSN 08/484,203. These applications are identical to the present application in that they have the same specification, drawings, claims, and inventors.

Respectfully submitted,
